Fred Porter, of Vergennes has discovered an original way of having fresh ripe tomatoes at this time of the year. Last fall, fearing that the fruit on his vines would be injured by the frost before it had a chance to ripen, he pulled the vines and placed them in his cellar where the tomatoes continued to grow although they did not ripen.
To ripen them he places them in a sunny window. Mr. Porter had some of them at his Thanksgiving dinner and expects enough will ripen so he may have some with his Christmas dinner. He reports the tomatoes to be of good flavor,

The Constant Wearing of a Hat Propogates Dandruff Germs.

There are many men who wear their hats practically all the time when awake. and are blessed with a heavy shock of hair; yet if the scalps of these same men once became infested with dandruff germs, the parasites would multiply all the quicker for luck of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant half dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists.
